

# SHP UNIVERSEL

LIQUID FOAM DETERGENT FOR ALL USES

## APPLICATIONS

**SHP UNIVERSEL** is a universal liquid detergent with a concentrate of active ingredients for all household and professional cleaning :

- washing up,
- floors,
- laundry (woollens and fine linen, coloureds),
- professional degreasing, especially in the food processing plant applications,
- automotive.

For all special uses, please contact us.

Dilute 2 to 5% of **SHP UNIVERSEL** in water, wash then rinse.

## BENEFITS

- **Very high chemical inertia**, allowing to retain full efficiency both in hot and cold water, in acid and alkaline solutions and in both salt and hard water.
- **Completely neutral and harmless**, which is specially important in all food contact applications.
- Extremely high level of **degreasing, emulsifying, dispersant and foam properties** providing powerful and instant detergent action, even in low doses.
- **Softening properties** to completely protect your hands.
- **Ininflammable**.
- More than 90% **biodegradable**, it contributes towards the protection of our environment. Phosphate free.

## PERFORMANCES

**SHP UNIVERSEL** complies with the decree of 5 April 1991 relating to cleaning products for materials used where incidental food contact may occur.

## CHARACTERISTICS

CHARACTERISTICS	UNITS	METHODS	TYPICAL DATA
Fragrance	-	-	Lemon
Specific gravity at 15°C	kg/m <sup>3</sup>	NF T 60-101	1030
Crystallization temperature	°C	-	+ 2
pH	-	NF T 78-103	7
